Fair Usage Policy:

XLN is committed to providing the best service to it's customers. It is important that our customers use the services fairly so that we can continue to offer great propositions.

1. Fair usage for tariffs that provide free calls within your account to you XLN landline and to your other XLN mobiles is considered to be where free calls represent half or less of the total time used in any calendar month.
2. Unfair usage includes but it not limited to: activity which is fraudulent; activity which adversely affects the XLN Network or other XLN customers' use of or access to an XLN Service or Network.; reselling XLN services to another party; SIM gateways.
3. Where XLN determines the Fair Usage Policy has not been complied with, XLN reserve the right to:-
 - a. bill for excessive minutes/data at our standard rate
 - b. cancel your contract for the services forthwith
4. Where possible, we will give you prior notice before invoking Para 3. THIS may not be possible in all cases, particularly in the case of potential fraud.
